BILLING INFORMATION:

Please consult your Limited Warranty for particulars regarding coverage. If the instrument is not under warranty, or if the warranty has been voided, charges will accrue for repair and servicing of the equipment. You will need to provide a credit card, and /or purchase order, that will be applied to the evaluation and shipping towards the repair. Note that estimates are not conclusive, but that any discrepancies will be noted prior to billing and return of your instrument. *Please advise us of your billing address and person to contact regarding this instrument. Thank you.*
